Model Town A, Sopore
Jammu and Kashmir, India
193201

About Me

I am an academic professional with expertise in artificial intelligence, machine learning, and human-robot interaction, with a research focus on cognitive modeling and real-world applications of intelligent systems. My work lies at the intersection of systems engineering and human behavior, addressing complex computational problems through data-driven and system-oriented approaches. I have strong experience in Python, deep learning, and system design, and am committed to teaching, research, and academic service in higher education.

Experience

Islamic University of Science and Technology 2025 -

Assistant Professor

Department: "Center for AI"

Key Responsibilities: Teaching M.Tech (AI) and B.Sc. (AI) students, delivering courses and practical training in AI and data science. Served as Training and Placement Coordinator, supporting student internships, industry linkage, and career readiness. As Sports Coordinator, organizing and managing student sports and fitness activities.

Chinar Quantum AI March 2025 - June 2025

AI Researcher

Project name: "Center of Excellence"

Key Responsibilities: Lead AI researcher at the CoE, focusing on time series forecasting and anomaly detection. Designed foundational AI training frameworks, collaborated on an autonomous navigation prototype, and led regional outreach efforts to scale AI initiatives

FruitPunch AI 2021 - 2022

Data Analyst

Project name: AI for Social Good initiatives

Key Responsibilities: contributing to data-driven solutions for social impact. Served as Scrum Master for the Data Enrichment Team, coordinating agile workflows, task planning, and cross-functional collaboration.

Islamic University of Science and Technology 2019 - 2020

Research Assistant

Project name: "Biometric based QR codes for document Security"

Key Responsibilities: Matlab based Implementation, Technical writing, Report making

Education

2025 University of Kashmir Ph. D (CSE)	Successfully defended my doctoral thesis, titled " Design and Development of an efficient deep learning framework for personality analysis " in Department of Computer Science, University of Kashmir. - Was funded by UGC MoMA under the prestigious Maulana Azad Research Fellowship (MANF) Award.
2019 University of Kashmir M. Tech (CSE)	Successfully Completed Masters in Technology with aggregate CGPA of 8.43. Final year Project: BumbleBee: A light Cryptographic primitive for Internet of Things Involved in plethora of activities like Debates, Quizzes, Event Organisation and student activism being the representative of the class as well as the University Hostel
2014 University of Kashmir B. Tech (CSE)	Successfully Completed Bachelors in Technology with aggregate percentage of 73.55. Final year Project: Rescite: An Institutional repository for Student Dissertations

Certifications

2013 HP Educational Services Networking with Linux	Successfully completed three months training programme on Networking Essentials with Red Hat Enterprise Limited with Grade A.
--	---

Academic Activities

- 1. Training and Placement and Sports Coordinator:** Centre for Artificial Intelligence, Islamic University of Science and Technology
- 2. Central point of contact/ Program Coordinator and Educator:** AWS Academy, Islamic University of Science and Technology
- 3. Member – Board of Studies:** 5-year Integrated Masters in Data Science and AI, 2-year/ 1-year Masters in Computer Science and Applications (MCA), 2-year Master of Technology (M.Tech) - Department of Computer Science, University of Kashmir, Hazratbal, Srinagar, J & K, India
- 4. Reviewer and TPC Member** - 2023 IEEE International Conference on Contemporary Computing and Communications, (InC4) March 15-16, 2024 Dept. of CSE, CHRIST (Deemed to be University), School of Engineering and Technology, Kengeri Campus, Bangalore, India
- 5. Reviewer and TPC Member** – 4th Congress on Intelligent Systems (CIS 2023) September 04-05, 2023 Dept. of CSE, CHRIST (Deemed to be University), School of Engineering and Technology, Kengeri Campus, Bangalore, India
- 6. Reviewer and TPC Member** – 4th International Conference on Data Science and Applications (ICDSA 2023), July 14-15, 2023, Malaviya National Institute of Technology, Jaipur, India
- 7. Reviewer and TPC Member** - International Conference on Power Engineering and Intelligent Systems (PEIS2023) June 24-25, 2023 Dept. of CSE, National Institute of Technology Delhi, India
- 8. Reviewer and TPC Member** - 2023 IEEE International Conference on Contemporary Computing and Communications, (InC4) April 21-22, 2023 Dept. of CSE, CHRIST (Deemed to be University), School of Engineering and Technology, Kengeri Campus, Bangalore, India
- 9. Resource Person and Subject matter Expert** - Directorate of Lifelong Learning (DLL), Centre for Distance and Online Education (CDOE), University of Kashmir from 2022-2024

Publications

1.Teli, M. A., & Chachoo, M. A. (2022). Lingual markers for automating personality profiling: background and road ahead. Journal of Computational Social Science, 5(2), 1663-1707.

2.Teli, M. A., & Chachoo, M. A. (2023, February). Pre-trained Word Embeddings In Deep Multi-label Personality Classification Of YouTube Transliterations. In 2023 International Conference on Intelligent Systems, Advanced Computing and Communication (ISACC) (pp. 1-6). IEEE

3.Teli, M. A., & Chachoo, M. A. (2025). Augmented Language Dataset for Enhanced Personality Profiling. International Journal of Electrical and Computer Engineering Systems, 16(1), 65-74.

4.Teli, M. A., & Chachoo, M. A. (2025). PersonaG: A Quinpartite Graph Convolutional Network for Interpretable Personality Recognition from Text . Artificial Intelligence and Applications

Conferences and Workshops

1. **Paper presentation** - International Conference on Recent Advances in Business, Management and Data Analytics 15th -16th March 2023, Department of Management Studies, University of Kashmir, (J&K) India

2. **Paper presentation** - WYSD workshop at ACM/IEEE International Conference on Human-Robot Interaction March 13-16, 2023 Stockholm, SE

3. **Poster presentation** - 17th Academic Research and Careers for Students Symposium (ARCS 2023) 09th & 10th February 2023, Oriental Institute of Science and Technology, Bhopal, India

4. **Paper Presentation:** International Conference on Intelligent Systems, Advanced Computing and Communication (ISACC), 3-4 Feb. 2023, Assam University, Silchar, India

5. **Paper presentation** – Two days National Conference on Changing Dimensions and Role of Libraries to attain Inclusive Knowledge Society September 6-7 2022, Department of Library and Information Science University of Kashmir, Srinagar (J&K) India

Core Competencies

- Programming: Python, R, MATLAB, C++
 - Machine Learning & AI: TensorFlow, PyTorch, Scikit-learn, YOLO, Mask R-CNN, UNet
 - Robotics & HRI: ROS, OpenCV, NLP, Keypoint Detection
 - Data Science: Data Preprocessing, Predictive Modeling, Visualization (Matplotlib, Seaborn), TensorBoard
 - Big Data Tools: Hadoop, Spark
 - Cybersecurity: Cryptographic Protocols, Secure Systems Design
 - Tools & Platforms: Docker, Git, Jupyter Notebook, Google Colab, Spyder
-

Personal Skills	Empathy, Team Work, Flexibility, Problem Solving, Stress Tolerance, Fast Learning
